HP04VR-20C-ASSISTA (Type:NPN) HP04VR-20C-ASSISTA-A (Type:PNP)

Feature	<ul style="list-style-type: none"> Parallel type air Gripper compatible with Mitsubishi ASSISTA plug & play Adopting high precision and high rigidity bearing, it can be used for long grip point applications. Including mounting attachment, open/close sensor, open/close speed control valve, and materials required for installation. 		
Open/Close Type	Parallel Linear Gripper		
Cylinder Bore[mm]	20mm	Number of Lever	2

Operating Type	Double Acting	Gripping Force(Closing Force) *Force exerted on work piece	45.0N
Stroke	14.0mm	Product Mass[g]	950g~
Operating Temperature Range[°]	0~60℃		
Switch	Included	Opening and closing speed valve	Included
Supported Robot	MELFA ASSISTA		
Provided CAD data Plugin
